120SCS

Next generation Linear Drainage.

Multi-function design.
**Integrated self-draining
shower screen support.**

Stormtech delivers an exclusive bathroom innovation with the new 120SCS Linear Drain featuring integrated support for glass shower screens. This unique, patented design allows surface water to drain from both sides of the shower screen for perfect floor draining.

Manufactured in Australia, from marine grade stainless steel, Stormtech's Shower Screen Support is available in our complete range of grate styles and colour finishes.

Choose our 120SCS Made-to-Length units or talk to us about custom specifications to suit your requirements.
